

Annual Dance Recital | 2011-12

The recital is an exciting event and a special goal the students work hard for all year. This is a remarkable opportunity for your children to shine and show you the progress they have accomplished.

The recital is held in June. More details and definite dates will follow. We ask that once the date is announced, and you have committed to it, that you please schedule all summer family vacation plans accordingly, as all rehearsals and shows are MANDATORY.

We ask that you please abide by the given policies of our school. Remember that although the study of dance should be taken seriously, it is our mission to provide classes that are warm and inviting, nurturing and caring, where your children can enjoy spending hours becoming a dancer! And also to provide you with a fun and professional facility... a place where your children can learn & explore the art of dance and all that it has to offer. A place where we can all LEARN, GROW, AND HAVE FUN!
